Grand Junction Premium Vinyl Siding is available in a beautiful collection of darker colors with tremendous home owner appeal that resist fading and discoloring.

With ColorHold® acrylic technology, it's easy. The color you choose today will be the color you see tomorrow, next year, and for years to come. We're so sure of superior weathering performance that we guarantee it. Reynolds Grand Junction comes with a Lifetime Fade Protection warranty.\* That's much longer than other manufacturers are willing to go!

**COLORHOLD®** ColorHold® acrylic technology not only provides superior weathering properties, it also provides superior performance over a broader range of the color spectrum than standard vinyl. That means Reynolds can offer some richer, warmer colors that other manufacturers simply can't provide in a high-performance siding product.

\* Lifetime Fade Protection is offered as part of the Limited Lifetime Warranty against manufacturing defects. Ask your Dealer for a copy of the no-nonsense Grand Junction Warranty, backed by the leading name in home exteriors - Norandex/Reynolds.
